Dear Holy Family School Family and Friends,

Holy Family School provides a place where minds are developed and character is built. On our campus every child is encouraged to reach his or her potential and deepen his or her many strengths. At our small school a well-rounded curriculum is taught to a diverse student body, and our students learn in an environment free of prejudice and hypocrisy. We offer a Christ-centered atmosphere where kindness, respect and responsibility are taught as well as the academic lessons.

Holy Family School students worship together, learn together and play together. They learn skills for life and develop values that last a lifetime.

Year after year, we are able to do this with the continued support from our kind and generous community. Thank you for the many ways you help our school. Holy Family School could not thrive without your support.

Annual Appeal is one way we are able to ensure the continued financial stability of our school. Annual Appeal funds our scholarship program by offering tuition assistance to those with a financial need and helps keep tuition low for all.

We ask that you support our school through this appeal with a monetary donation and join others to ensure the ongoing success of our school. If you are able to give, please see the donation card enclosed.

Sincerely,

Melanie Coakley
Annual Appeal Chairperson
