

# Catholic Schools Week Starts Out Beautifully at St. Mary's of the Visitation

To celebrate the kick-off of Catholic Schools Week, 2008, Holy Family School students participated in the 8:00 a.m. liturgy at St. Mary's of the Visitation January 27th. Many readings were done by HFS students, and the HFS choir was accompanied by many students playing musical instruments. A special treat was provided by the liturgical dancers who performed an interpretation of the Beatitudes. It was a truly beautiful tribute to Catholic Education and the special role it plays in our community.
